Teacher: Teresa Williams and Angie Luebbert

Date: March, 2009

## What We Are Learning!

Month of March:

3/2-3/6	Weather (snowy and windy)
3/9-3/13	Weather (sunny, cloudy, and rainy)
3/16-3/20	Rainbows and Spring
3/23- 3/27	Spring (Rabbits and Eggs)
3/23- 4/3	Spring ( Rabbits and Eggs)

## Looking Ahead

Half Days : Wednesday, 3/ 18  
Friday, 4/3

April : Things on the Ground:  
Bugs and Insects  
Who Lives in a Pond?  
What flies in the air? Bird

## Donations Needed :

Gently used or new books. :  
I prefer the board books as they last longer, but paperback are fine.

Touch and Feel Books  
Lift the Flap Books  
Picture Books

I would like to make parent/child bags to send home to promote literacy and reading .

These bags would be for you to read the book to your child , complete an activity then return the bag with book to school.

## Book Topics

- Animals (all kinds)
- Insects and Bugs
- Dinosaurs
- Flowers
- Seasonal
- Food

I appreciate your help with this new project.
