

Craft idea by a Henrico County colleague Jessica Bale who teaches PEDD at Glen Lea Elementary School. Thanks for sharing Jessica.

Go Away Big Green Monster Activity:

Background: black construction paper

Jessica used craft foam for the body parts and purple pipe cleaner for the hair. He originally had more hair, but my big green monster lost some of his hair when I packed up the activity last fall.

The children love the story and enjoyed making the activity. They touched appropriate facial features when telling the Big Green Monster to Go Away.
