

All About Chickens!

Meet the Chicken Family!

The daddy chicken
is called a rooster.
He wakes up the animals
on the farm.
He says,
"cock-a-doodle-doo".

The mommy chicken
is called a hen.

She says, "cluck, cluck".

The babies are called chicks.
Baby chicks hatch from eggs.
They say, "peep, peep."

Chickens live in a house called a **hen house** or **chicken coop**.

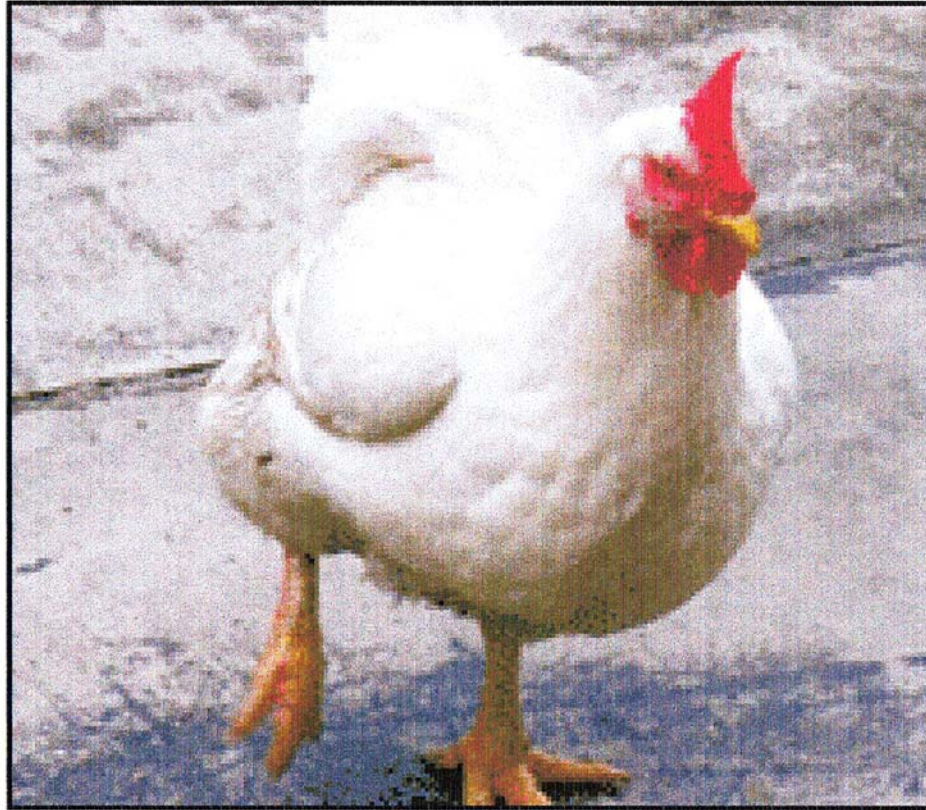

Chickens eat grains like corn.

Chickens have

- Feathers
- A Red Comb
- A Beak
- Eyes
- Feet with 4 toes
- Can Fly
- Need food, water & shelter.

Some people like to eat
cooked chicken and
chicken eggs.
