

Mermaid, Mermaid
What Can It Be?

Walt Disney Pictures
presents

THE LITTLE
MERMAID

I see a fish moving close by in
the deep blue sea.

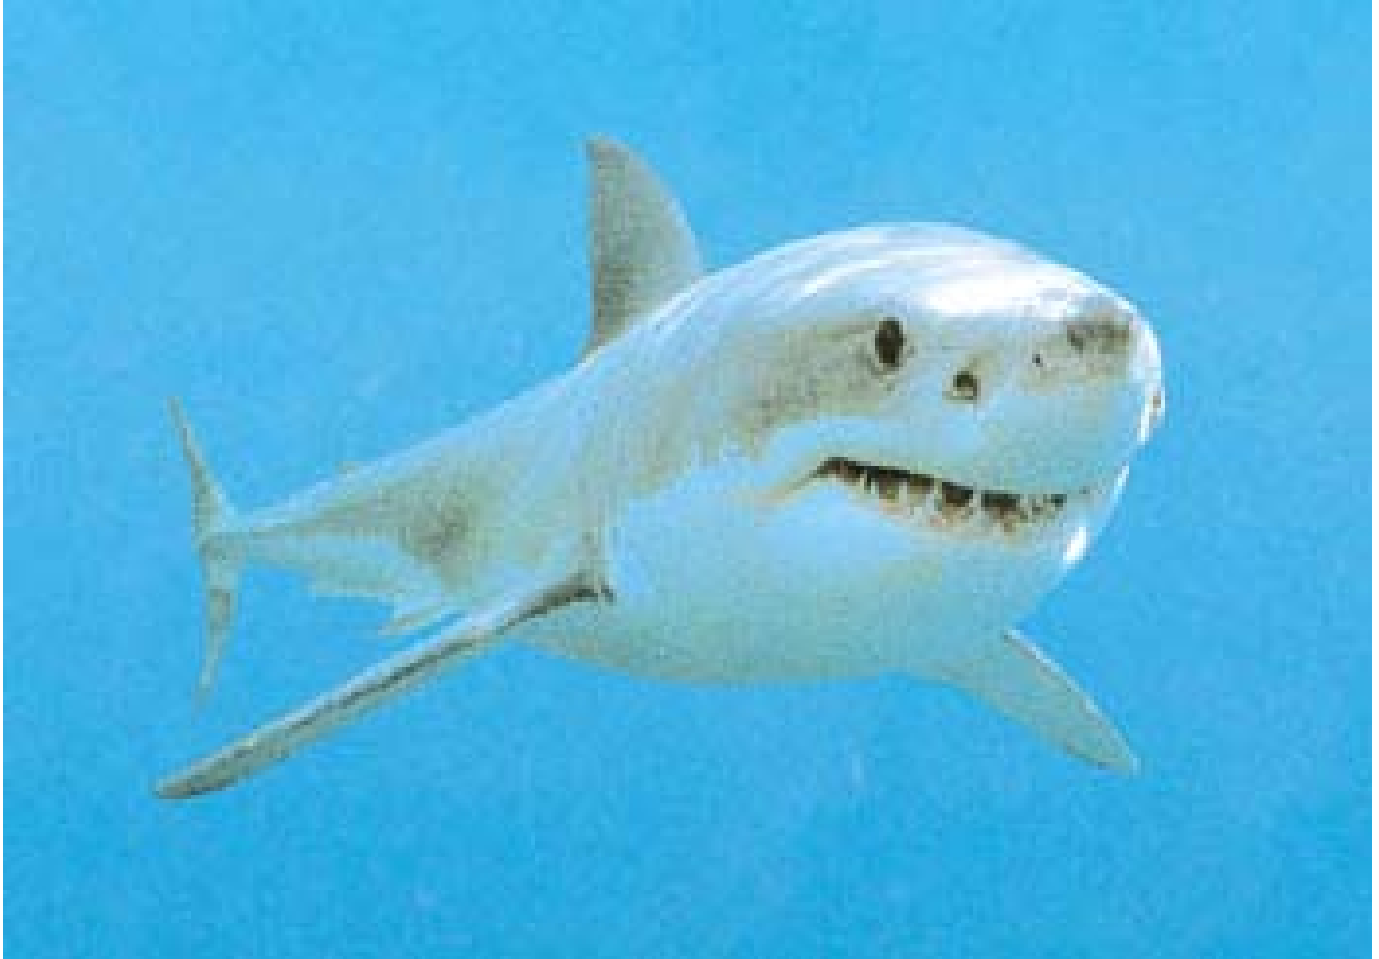

Fish, fish what could it be,
moving close by in the deep
blue sea?

I see a hermit crab moving close by in the deep blue sea.

Hermit crab, hermit crab, what could it be, moving close by in the deep blue sea?

I see a shark moving close by
in the deep blue sea.

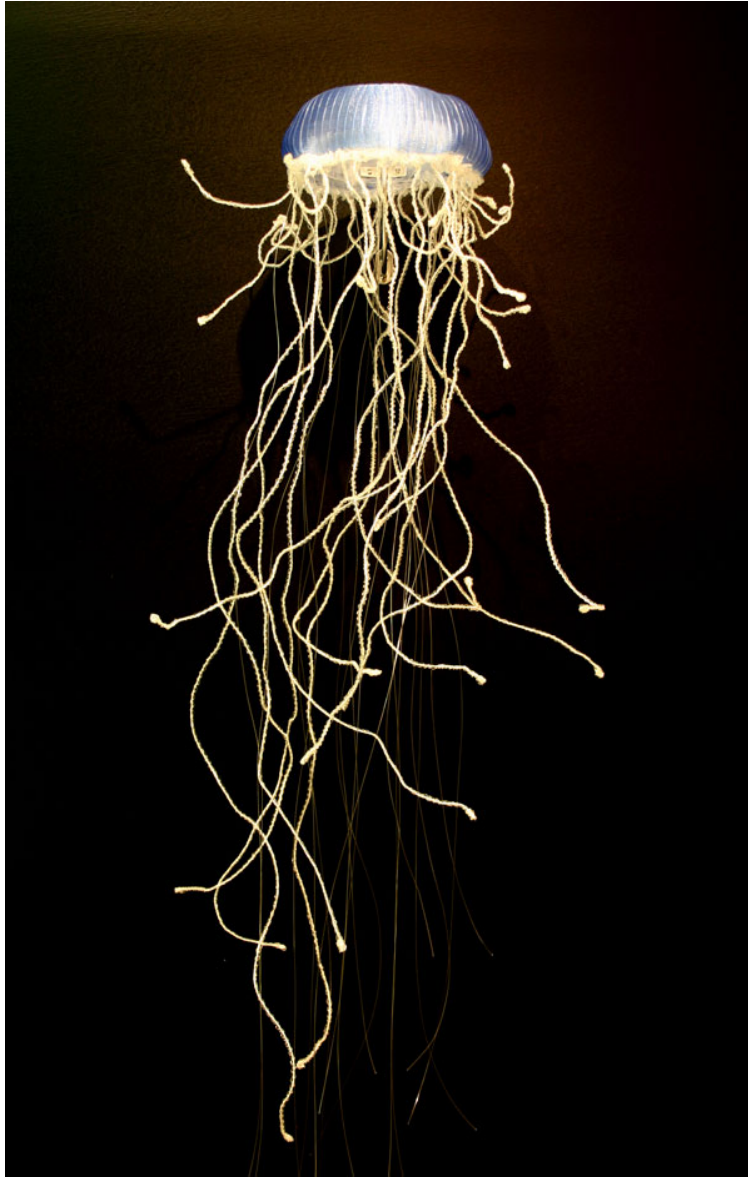

Shark, shark what could it be
moving close by in the deep
blue sea?

I see a starfish moving close by
in the deep blue sea.

Starfish, starfish what could it
be, moving close by in the deep
blue sea?

I see a jellyfish moving close by
in the deep blue sea.

Jelly fish, jelly fish what could
it be moving close by in the
deep blue sea?

I see a sea horse moving close by in the deep blue sea.

Sea horse, sea horse what could it be, moving close by in the deep blue sea?

I see a octopus moving close by
in the deep blue sea.

Octopus, octopus what could it
be, moving close by in the deep
blue sea?

I see a whale moving close by
in the deep blue sea.

Whale, whale what could it be,
moving close by in the deep
blue sea?

Its my friend, Ariel

here with all our friends
that are moving close by
in the deep blue sea.
