

Rabbit Fact Book

Real Rabbits Real rabbits have soft fur

They are

in the summer

But are

in winter.

Rabbits can be different colors and sizes.

Rabbits have long ears, big eyes, a nose and a short, fluffy tail.

Rabbits move by hopping.

Rabbits live under the ground. Their home is called a "warren"

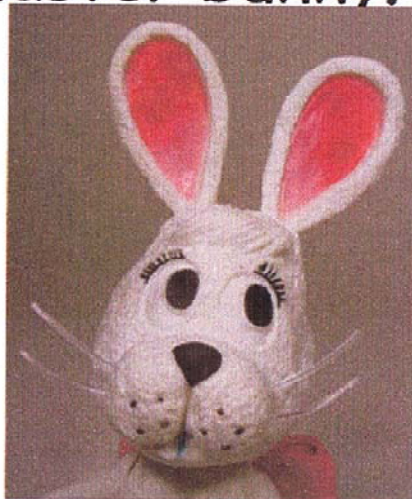

Baby rabbits in a nest.

Some rabbits are story book rabbits like
The Velveteen rabbit

And Peter Rabbit and Benjamin Bunny and the
Easter bunny.

For Easter, children like to eat chocolate
Easter Bunnies:

Stuffed toys
are fun to play
with.
